

International Ragweed Society

CALL FOR ABSTRACTS

IRS Ragweed Symposium – 14th September 2020 – Vodice (Croatia)

The International Ragweed Society is an international scientific organization that promotes the knowledge of *Ambrosia* weed species.

The IRS Congress will organize its **General Assembly** on September 14th in Vodice, Croatia just before the 11th International Conference on Biological Invasions (**Neobotia 2020**) : <http://www.neobiota2020.biol.pmf.hr/>.

On this occasion, a **short symposium** is organized which will deal with *Ambrosia* topics.

If you are working on ragweed, you should apply for this call for submission and perhaps have the chance to present your work to global *Ambrosia* experts.

We offer the chance for both oral (c. 20 minutes) and poster presentations.

Deadline for abstracts submission: August 1st

Decision on abstracts: August 14th

Free Registration

Please send your abstract with following information to the IRS president :
